Attendance Policy, Class Expectations, and Make-Up Policy

All lectures posted need to be viewed in a timely manner to remain current with HW assignments and exams. The course grade will be based on performance in two exams of equal weight and on submitting all HW assignments fully by the posted deadlines. There will also be a project to be announced in due course. Homework assignments will be collected but not graded. However, failure to submit a HW fully and by the posted deadline will result in having 3% of the course grade deducted per missed assignment. There will be one on-campus activity to satisfy visa requirements for those on a student visa. This activity will be announced in due course and will be equivalent to one class period. This only applies to those on a student visa.

Evaluation of Grades

Exam 1 45%
Exam 2 45%
Project 10%
Missed HW Assignment 3% of the course grade deducted/missed assignment
